Highlights

Avoid false dashboard warnings

Sometimes, when installing LED retrofit bulbs, the lower power consumption of the LED be interpreted by the cars safety system as a failure of the bulbs. This will display an error signal on the dashboard while the LED bulbs work perfectly. To avoid this inconvenience, we recommend using a Philips CANbus Adapter. The Philips CANbus Adapter for Philips LED HL [H7] bulbs connects to the cars built-in safety system to eliminate false error messages on the dashboard. Drivers can enjoy their Philips LED bulbs with peace of mind.

Prevent from light issues

The lower power consumption of LED bulbs can sometimes create current variation problems resulting in downgrading the LED headlight bulbs performance. Featuring a smart 3-in-1 function, our Philips CANbus Adapter brings an additional capacitor function, avoiding flickering and light-dimming issues. Enjoy the best of your Philips LED retrofit bulbs with the latest Philips CANbus Adapters generation.

Choose the peace of mind

Every vehicle model is different; most dont require a Philips CANbus Adapter when retrofitting to LED lights! To know if a Philips CANbus Adapter is needed for your vehicle model, visit our Philips website and check our latest online compatibility list**.

Easy installation

Thanks to their compact design, our Philips CANbus adapters are easy to install, even in tight spaces. They are equiped with connectors to fit standard vehicle sockets, making connection quick and easy. The Philips CANbus adapter pack also includes cable glands for waterproof wiring wherever required. Find the user manual on our Philips support page***.

EMI-compliance guaranteed

Our Philips CANbus Adapters are EMI-compliant guaranteed, conforming to automotive-industry standards on electromagnetic interference. Precision-engineered to withstand the rigors of modern motoring life, their use does not interfere with the regular operation of the other vehicle parts.

Reliable Philips quality

The Philips CANbus Adapters are durable and provide long-lasting performance. Tested in the toughest conditions, they provide IP65 ingress protection from dust and water and are covered by our Philips warranty policy. Visit Philips.com/auto-warranty to know more and register for an extended warranty****.

Specifications

Marketing specifications

Product highlight: 3 in 1 solution
Expected benefits: Avoid signal and light issues

Product description

Application: Low beam, High beam
Designation: LED CANBUS H7 18952 12V X2
Homologation ECE: NO
Operating Temperature: -40/+85 °C
Range: CANbus adapter LED-HL
Technical features: 3 in 1 solution
Technology: LED
Type: H7
Compatible with: See Philips compatibility list**
Marking: KBA approved
Designation LED type: H7-LED, [≈ H7]
Ingress protection rating (IP): IP65
Base: H7

Electrical characteristics

Wattage: 12 W
Voltage: 12 V

Ordering information

Order entry: 18952X2
Ordering code: 80628694

Logistic data

Quantity in box: 2
MOQ: 4

Packaging Data

EAN1: 6932080806286
EAN3: 6932080806293
Packaging type: X2

Packed product information

Length: 18.5 cm
Width: 11.5 cm
Height: 6 cm
Net weight per piece: 180 g
Pack Quantity: 2 pcs
MOQ (for professionals): 8 pcs (4 sets)
Gross weight per piece [g]: 470

Outerpack information

Length: 38.8 cm
Width: 12.2 cm
Height: 13.8 cm
Gross weight per piece: 1.891 kg

Lifetime

Life time: 3000 h
